SUBJECT: Transfer of Funds by Appropriation Ordinance

Please prepare an appropriation ordinance for introduction by the City Council which would transfer ~~\$6,450~~ <sup>\$8000.00</sup> from the unobligated balance of the General Fund to the following accounts in the 1969 budget of the Board of Safety:

Account No. 8-2-23 Instructions-Police ~~\$950.00~~ <sup>2500.00</sup>

Account No. 8-7-722 Motor Equip.-Police \$2700.00

Account No. 8-7-726 Other Equip. Police \$2800.00

The above transfer of funds is necessary under State and Federal programs of financial aid to local communities to help in the training and equipping of police departments.

The ~~\$950~~ <sup>2500</sup> appropriation would defray the costs of sending policemen to intensive traffic schools, and the \$2,700 for motor equipment and \$2,800 for other equipment would defray the cost of purchasing a new breathalyzer van and a variety of equipment for it. The van would be one of two such units to be purchased by the city. The first van would be purchased from funds in the 1969 budget. The above transfer would be for the purchase of the second van, and all of the money for this van will be returned to the city by the state and federal governments. When the money is received, it will be receipted into the general fund to replace the above funds.

Yours very truly,

*Ivan H. McKathnie*
